Subject: ACTION REQUIRED: Sen. McCaskill Requests Clarification of West Lake Timeline

Importance: High

Hi Dan,

I received a call from Pat Bond with Sen. McCaskill's DC office.

He is asking for clarification of the final remedy timeline.

We originally stated that we are looking at a 2016 timeframe, but information he is hearing is that the EPA is trying to get the final ROD done by the end of FY14.

Please clarify.

Thanks.
